

**Letter of Intent of Cooperation
between Bangkok Metropolitan Administration (BMA)
and Local Government of Budapest**

Headed by the Governor of Bangkok Metropolitan Administration Bhichit Rattakul, the BMA Delegation made a cordial visit to Budapest in February 1997.

During this visit Governor Bhichit Rattakul and Mayor Gábor Demszky were able to have talks in a warm and friendly atmosphere.

On both sides, there is seen to be a strong possibility of mutual cooperation in the future and in the negotiations both sides agreed on the following cooperation:

1. Public transport including the development plan of the metro lines, waste water treatment within the environmental protection and urban planning.
2. In June 1997, teleconference show is planned in each other cities with the participation of Governor of Bangkok and Mayor of Budapest.
3. On this occasion an agreement of cooperation is intended to be signed between the two cities.

BMA and Budapest City agreed to promote personal exchange in various fields, including cultural exchange and mutual technical assistance.

Budapest, 20th February 1997.
