

Announcement of the Bangkok Metropolitan Administration (BMA)

Subject: Order of Temporary Closure of Premises (No. 18)

Reference is made to the Announcement on the Extension of Duration of the Declaration of an Emergency Situation in All Areas of the Kingdom of Thailand (9th Extension) dated 5th January 2021 with the extension of enforcement for Duration of the Declaration of an Emergency Situation in All Areas of the Kingdom of Thailand until 28th February 2021, and the Announcement of Regulation Issued under Section 9 of the Emergency Decree on Public Administration in Emergency Situations B.E. 2548 (2005) (No. 16) dated 3rd January 2021 and (No. 18) dated 29th January 2021.

Bangkok Metropolis has been designated as a maximum control area, similar to other three provinces, where prescribed measures for the areas under situations designated as maximum control areas shall be enforced in accordance with Regulation (No. 16) dated 3rd January 2021 and (No. 18) dated 29th January 2021. In order to relax the temporary closure and prescribed measures for some premises to allow the operation or organization of some activities related to economy and ways of life as well as physical exercise or healthcare which facilitate the disease prevention and control measures for inhibiting the spread of disease in accordance with the above-mentioned Regulation, by the virtue of Section 35 (1) of the Communicable Diseases Act B.E. 2558 (2015), and Regulation Issued under Section 9 of the Emergency Decree on Public Administration in Emergency Situations B.E. 2548 (2005) (No. 15) dated 25th December 2020, (No. 16) dated 3rd January 2021 and (No.18) dated 29th January 2021, Governor of Bangkok, with the approval of the BMA Committee on the Communicable Diseases as stated in the Meeting Resolution No. 4/2564 dated 29th January 2021, shall have the Announcement as follows:

1. The premises prone to the disease spread under Clause 3 and Clause 5 of the Regulation (No. 16) dated 3rd January 2021 shall be temporarily closed as follows:

1.1 Entertainment venues, any establishments providing similar services to those of entertainment venues, pubs, bars, karaoke shops;

1.2 Cockfighting rings and cockfighting training rings;

1.3 Bullrings, fish fighting rings or other similar sport arenas;

1.4 Establishments for bath services;

1.5 Massage parlors;

1.6 Nurseries, only ones located in Bang Khun Thian District, Bang Khae District, Bang Phlat District, Chom Thong District and Thon Buri District (except admission for overnight stay as regularity);

1.7 Early childhood development centers and preschool child development centers, only ones located in Bang Khun Thian District, Bang Khae District, Bang Phlat District, Chom Thong District and Thon Buri District;

2. The following ...

2. The following premises can be opened for operations or organization of some activities and shall strictly comply with disease prevention and control measures for inhibiting the spread of disease annexed to this Announcement:

2.1 Restaurants or those selling beverage, convenience stores, pushcarts, hawkers, stalls, diners, garden-themed restaurants, food courts, canteens; except entertainment venues, pubs, bars. These venues can be opened for operations and consuming food and beverage at the said venues is allowed as regularity. The use of service shall be organized by limiting number of service users and arranging the said venues to comply with disease prevention and control measures for inhibiting the spread of disease. However, after 23.00 hrs., only takeaway service is permitted, and consumption of liquor and alcoholic drinks at the said venues is prohibited under Clause 4 (2) of Regulation (No.16) dated 3rd January 2021;

2.2 Shopping malls, shopping centers and community malls. These venues can be opened for operations as regularity under the disease prevention and control measures for inhibiting the spread of disease, and shall refrain from organizing activities with large number of participants at the said venues;

2.3 Trade fair centers, convention centers and exhibition halls. These venues can be opened for operations as regularity under the disease prevention and control measures for inhibiting the spread of disease by limiting the number of participants in activities to comply with the area size of no less than 1 square meter per person;

2.4 Meeting rooms in hotels or convention centers. The number of participants shall be limited to 100 persons;

2.5 Small retail/wholesale shops, community retail/wholesale shops, markets, floating markets and flea markets;

2.6 Large retail/wholesale stores or wholesale markets;

2.7 Beauty salons and barber shops with hair dressing or cutting service for men or women. These venues can be opened for operations by limiting service time for each service user not exceeding two hours and service users waiting for the service in shops are not allowed;

2.8 Nurseries (not the premises that are ordered to temporarily close under Clause 1.6) or elderly care centers;

2.9 Early childhood development centers and preschool child development centers (not the premises that are ordered to temporarily close under Clause 1.7);

2.10 Medical aesthetic clinics, manicure and pedicure shops;

2.11 Golf courses and driving ranges;

2.12 Sports venues;

2.13 Public parks, fields, areas for public activities, places for exercises, sport venues and fields;

2.14 Pet grooming and spa shops and pet service shops;

2.15 Indoor exercising places or fields;

2.16 Outdoor and indoor public swimming pools;

2.17 Botanic gardens, flower gardens, museums, learning centers, historical sites, ancient monuments, public libraries and galleries;

2.18 Swimming pools for sports or marine activity in ponds;

2.19 Cinemas, theatres, and playhouses;

2.20 Zoos or animal display venues;

2.21 Game machine arcades;

2.22 Gaming centers and internet cafes;

2.23 Martial arts schools (gyms);

2.24 Sport arenas. Competitions can be organized at these venues without spectators;

2.25 Places ...

2.25 Places providing services on catering rooms, catering venues and those similar places. These venues shall limit the number of participants to 100 persons, and refrain from consumption of liquor and musical performance with dance;

2.26 Amulet trading markets and centers;

2.27 Beauty salons and premises for tattooing or piercing of skin or any parts of the body;

2.28 Fitness centers;

2.29 Health establishments, spas and establishments for Thai traditional massage and foot massage;

2.30 Boxing training venues and gymnasiums or boxing gyms;

2.31 Bowling alleys, skating rings or rollerblading arenas or similar activities;

2.32 Social/ballroom dance schools or academies;

2.33 Water parks, amusement parks;

2.34 Playgrounds, playground equipment for children in markets, floating markets and flea markets;

2.35 Boxing stadiums. These venues can be opened for operations for exercising, sporting, training or competing. Spectators at these venues are not allowed;

2.36 Horse racing courses. These venues can be opened for operations for exercising, sporting, training or competing. Spectators at these venues are not allowed. Gambling is prohibited under the gambling laws;

2.37 Buildings and places of schools, tutorial schools and all types of educational institutes. The buildings and places can be used for learning, teaching, examining, training or organizing any activities with the consideration on the appropriateness and readiness under disease prevention and control measures for inhibiting the spread of disease.

3. Organizing activities prone to the disease spread, such as meetings, seminars, banquets, distribution of food or things in the area of Bangkok Metropolis, shall be implemented by limiting the number of participants to 100 persons, except those operated by Government agencies. Organizers shall oversee the use of mobile applications “Thaichana” and “MorChana” before and after participating in activities.

4. Other premises to which the temporary closure order has not been applied or those without specifically imposed measures, relating persons shall comply with the disease prevention measures as follows:

4.1 Provide body temperature checking service or symptom screening service for customers/service users with respiratory system disorders;

4.2 Wear sanitary face masks or fabric masks;

4.3 Apply social distancing of at least 1 meter between each individual and limit the number of participants in each activity/event to prevent overcrowding;

4.4 Provide adequate handwashing stations with soap or alcohol-based hand sanitizer gel or disinfectants;

4.5 Clean the high touch surfaces of relating areas before, during and after performing activities; and

4.6 Have entering and exiting of premises registered and add measures on using mobile applications as prescribed by the Government such as “Thaichana” and “MorChana”

Any persons who violate or fail to comply with this Order shall be guilty of an offense under Section 52 of the Communicable Diseases Act B.E. 2558 (2015) which shall be liable to imprisonment for a term not exceeding one year or to a fine not exceeding one hundred thousand Baht or to both and shall be guilty of an offense under Section 18 of the Emergency Decree on Public Administration in Emergency Situation B.E. 2548 (2005) which shall be liable to imprisonment for a term not exceeding two years or to a fine not exceeding forty thousand Baht or to both, and premises shall possibly be ordered to be temporarily closed.

In the case ...

In the case with which the Announcement of the Bangkok Metropolitan Administration (BMA) on Order of Temporary Closure of Premises (No. 15) dated 1st January 2021, (No.16) dated 4th January 2021 and (No.17) dated 21st January 2021 are contrary or inconsistent, this announcement shall have overriding effects over previous announcements.

As this is a case where there is urgent necessity and the delay of action may cause great harm to any individual or affect the public interest, litigants shall not be given the right to object under section 30 paragraph two (1) of the Administrative Procedure Act, B.E. 2539 (1996).

This Order shall take effect from 1st February 2021 onwards.

Announced on 30th January 2021

Pol. Gen. (Signature)
 (Aswin Kwanmuang)
 Governor of Bangkok

Disease Prevention Measures Specified by the Government to Prevent the Spread of COVID-19

Annexing to Announcement of the Bangkok Metropolitan Administration (BMA) on Order of Temporary Closure of Premises (No. 18)

Dated 30th January 2021

Businesses/Activities	Surveillance, Prevention and Control Measures
<p align="center">Premises under Clause 2 of the Announcement of the Bangkok Metropolitan Administration (BMA) on Order of Temporary Closure of Premises (No. 18) dated 30th January 2021 shall comply with the following disease prevention and control measures.</p>	
<p>2.1 The sales of food and beverage in food or beverage shops, convenience stores, pushcarts, hawkers, stalls, diners, food courts, canteens, general restaurants selling food and beverage except entertainment venues, pubs, bars, can be opened with table service from 06.00 – 23.00 hrs., with takeaway service after 23.00 hrs. The consumption of liquor or alcoholic beverages at the said venues is prohibited.</p>	<ol style="list-style-type: none"> 1) Clean the floor and high touch surfaces frequently both before and after services. All waste must be disposed every day. 2) Business owners, service staff, and service users always wear surgical or fabric face masks. 3) Provide adequate handwashing stations with soap or alcohol-based hand sanitizer gel or disinfectants. 4) Apply social distancing measure between each table and each seat as well as walking distance for at least 1 meter. 5) Control the number of customers/service users to prevent overcrowding. 6) Restrict the consumption of liquor or alcoholic beverages inside the premises. 7) Have measures for basic COVID-19 symptom screening such as fever, cough, shortness of breath/difficulty breathing, sneeze or cold for business owners, service staff and service users before entering the premises. In case any persons met with the criteria of being “Patient Under Investigation” according to the specified guidelines are found, responsible government agency must be informed. 8) Shorten time in doing any activities to be as necessary based on the practice of avoiding contact with others and restrict the use of loud noise within the premises. 9) In case of buffet service, practice must be adjusted. Customers/service users must not be allowed to personally take food from service station as well as to use shared equipment to take food from shared containers. 10) Provide queuing system and waiting areas where sitting and standing line have at least 1-meter physical distance. 11) Arrange suitable indoor ventilation, including toilets.
